TRAVERSE 14

WHY JUST GO FROM A TO B

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not — but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

TRAVERSE

A PARAMOUNT RIDE With a boldly styled exterior designed around a rich and refined interior, Chevrolet Traverse leads the way. Traverse offers best-in-class maximum cargo space, seating for up to eight,[1] award-winning safety technology and premium details that make every ride feel like a vacation. Plus, Traverse has been recognized as the leader in Strategic Vision's 2013 Total Quality Award™ for Best Mid-Size Crossover-Utility/SUV.[2] Excellence surrounds you in Chevrolet Traverse.

1 Standard on LS and 1LT; available on 2LT. 2 Strategic Vision's 2013 New Vehicle Experience Study surveyed 17,568 Oct.–Nov. new-vehicle buyers after the first 90 days of ownership.

TAKE A DOUBLE TAKE

UNCURBED APPEAL There's something in the way it moves. And the way the sun dances off its curves. This is a confidence that flows with every line, a style that commands attention and a presence that stands alone. In every detail, Traverse is impeccably designed and precisely formed.

STANDOUT STYLE The athletic hood design, bold grille and striking headlamps make a strong impression. LTZ style details include 20-inch aluminum wheels, dual exhaust with polished tips and chrome-accented bodyside moldings.

MULTIPLE OPTIONS Express your sense of style with a variety of exterior colors, including Black Granite Metallic[1] and Crystal Red Tintcoat.[1] Interior choices such as Titanium-color, Ebony and Mojave offer more ways to make Traverse your own. Take a step further in personalization by selecting from the many available dealer-installed Chevrolet Accessories. Whatever you choose, Traverse has you covered.

TRUE INNER BEAUTY

PRIDE IN THE RIDE Discover premium soft touch materials with accent stitching. Subtle available ambient lighting that sweeps across the dash. These are just a few of the stunning details that make the Traverse interior feel like a warm welcome every time you step inside.

RICHLY REFINED Amenities include a vibrant 6.5-inch diagonal color touch-screen display for controlling stereo and communication settings, plus available heated and cooled front seats and an available heated steering wheel for added comfort.

ROOM FOR LUGGAGE ... AND LEGS

PASSENGER COMFORT With three incredibly spacious rows of standard seating for eight or available seating for seven (shown), Traverse brings family and friends together without compromising any passenger's personal space. And it aces the parent test with a low step-in height, easy-to-clean available leather-appointed seating and Smart Slide® second-row seating for easy third-row access.

AN INTERIOR DESIGNED TO ADAPT Traverse also features 10 or 12 cup holders (depending on available seating), rear-seat climate controls, and an available rear-seat entertainment system that plays DVDs through a flip-down display — all for the convenience and enjoyment of everyone riding along.

BEST-IN-CLASS MAX CARGO SPACE

TRAVERSE FITS YOUR NEEDS WITH 116.3 CUBIC FEET OF MAXIMUM ROOM.[1]

Traverse LTZ in Tungsten Metallic.

ROOM TO GET UP AND GO When it comes to space, Traverse overachieves. With 116.3 cubic feet of maximum cargo space[1] and 24.4 cubic feet of space behind the third row,[1] Traverse is best-in-class.

AVAILABLE POWER-REMOTE LIFTGATE With a simple push of a button, the power-remote liftgate gradually opens for convenient loading and unloading.

AVAILABLE REAR PARK ASSIST As you travel in reverse at speeds less than 5 mph, Rear Park Assist uses sensors on the rear bumper to detect and alert you to stationary objects up to 8 feet behind your Traverse and to people walking past.

SMART SLIDE SECOND-ROW SEATING With a single hand movement, it slides out of the way for convenient access to the full-size third row with seating for three.

60/40 FLEXIBLE SEATING You can get standard seating for eight (depending on model) with second- and third-row flat-folding 60/40 split-bench seats. Or you can choose available seating for seven (depending on model) with second-row flat-folding captain's chairs and a third-row flat-folding 60/40 split-bench seat.

Available remote vehicle starter system.

Available power-remote liftgate.

POWER + GRACE

Traverse LTZ AWD in Crystal Red Tintcoat (extra-cost color).

1 Based on EPA estimates for FWD. 2 Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. 3 Whichever comes first. See dealer for details.

REVVED UP With more horsepower, torque and towing capability than Honda Pilot and Toyota Highlander, Traverse lets you make the most of each mile — and enjoy every minute of it. The catalyst is a spirited yet efficient direct injected 3.6L V6 engine that offers a winning combination of 24 MPG highway[1] and 281 horsepower. It pairs with a thoughtfully refined suspension that's fluid and responsive, and available all-wheel drive that helps maintain a controlled stride in all types of weather and road conditions.

CHEVROLET 2-YEAR SCHEDULED MAINTENANCE PROGRAM

Chevrolet 2-Year Scheduled Maintenance Coverage[2] is included with the purchase or lease of a new 2014 Chevrolet Traverse. This fully transferable program is in addition to the Traverse standard:

TRAVERSE WITH CONFIDENCE

INGENIOUS SAFETY TECHNOLOGY PROVIDES PEACE OF MIND.

Traverse LTZ in Tungsten Metallic.

The 2014 Traverse received a 5-Star Overall Vehicle Score for Safety[1] from NHTSA. The 2013 Traverse was named a 2013 Top Safety Pick by the Insurance Institute for Highway Safety (IIHS).

FRONT CENTER SIDE-IMPACT AIR BAG
In the event of a side-impact collision, the available industry-first front center air bag[2] deploys from the right side of the driver seat and positions itself between the front seats for added cushioning and restraint to help protect the driver and front passenger from colliding with one another.

LANE DEPARTURE WARNING This new available camera-based system sends an alert if you unintentionally drift out of your lane (without a turn signal). The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT[3] This available feature uses radar sensors on both sides of the vehicle to help "look" for other vehicles in your side blind zone areas and indicates their presence with LED-lit symbols in the exterior mirrors.

FORWARD COLLISION ALERT New to Traverse, this available safety feature identifies vehicles ahead and alerts the driver to any potential front-end crash risks, helping provide time to stop and/or change course.

REAR CROSS TRAFFIC ALERT Using the same radar sensors as the Side Blind Zone Alert system, this available feature alerts you to crossing traffic behind your Traverse when backing up. Audible alerts, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

REAR VISION CAMERA When traveling in reverse at low speeds, the rear vision camera provides a real-time picture of the area immediately behind your Traverse on the 6.5-inch diagonal color touch-screen display.

STABILITRAK® ELECTRONIC STABILITY CONTROL SYSTEM This innovative safety technology is designed to improve vehicle stability on most road surfaces, especially during emergency maneuvers and difficult driving conditions.

ONSTAR AUTOMATIC CRASH RESPONSE[4]
In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your Traverse to see if you need help sent to your exact location – even if you can't respond.

Rear vision camera.

Available Side Blind Zone Alert.[3]

1 Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). 2 Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. 3 Before making a lane change, always check the Side Blind Zone Alert display, check the side and inside rearview mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. 4 Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

IMPORTANT INFORMATION

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid SUV-Crossover segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY. Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.
